

-DRAFT-
Meeting Summary
WESTAR-WRAP Fall 2020 Business Meeting
Via Webinar and Conference call
September 22-23, 2020

1. The meeting was opened by Garry Kaufman, WESTAR President; and Randy Ashley, Confederate Salish, Pend d'Oreilles and Kootenai Tribes and Gordon Pierce, WRAP Co-Chairs.
2. The webinar recording with staff reports, committee reports, financial report and OAQPS update can be found here on the WESTAR website at <http://www.westar.org/downloads.html>.
3. Adam Baumgart-Getz, EPA OAQPS presented the [EPA Training update](#).
4. The citizen and community monitoring panel presented information about sensors and citizen monitoring from the perspectives of EPA, Purple Air and Colorado Department of Public Health and Environment:

[Chet Wayland](#), EPA OAQPS; [Adrian Dybwad](#), Purple Air; [Gordon Pierce](#), CDPHE

5. There were several presentations on September 23. Arden Pope (BYU) presented on the use of scientific data for rulemaking, Ritesh Gautam and Jon Goldstein (EDF) presented on MethaneSat, a panel of state representatives from California, Colorado and New Mexico presented on state methane emissions reductions programs and Colby Tucker (EPA) presented tools and resources from EPA's State and Local Energy and Environment Program. The webinar recording of day 2 can be found here on the WESTAR website at <http://www.westar.org/downloads.html>.

The meeting was adjourned at 4:30 pm MDT.
