About The Training Course

WESTAR's Training Center will host this training course for state, local and tribal air quality professional staff working, or planning to work, in air quality permitting field. Attendees should have solid experience with the program since this course provides in-depth and advanced instruction on New Source Review and Prevention of Significant Deterioration. Discussion, examples and class exercises are used to help explain and understand the elaborate and complicated elements of the program.

SPACE LIMITATION: Registration is limited to 40 attendees. Air quality staffs from the fifteen western states receive registration preference.

REGISTRATION FEES:

There are no registration fees for state, local or tribal air quality agency staff. Registration fee for Federal employees is \$1200

Training Location

**Clark County
Development Services Building**
4701 West Russell Road
Las Vegas, NV 89118
