

WESTAR Council

Intermediate New Source Review (NSR)/Prevention of Significant Deterioration (PSD)

May 9-12, 2023

IN-PERSON TRAINING

Colorado Dept. of Public Health & Environment (CDPHE)
4300 Cherry Creek Drive South (Mtg. Rm. B1F)
Denver, CO 80246

Registration Deadline: Friday, April 21, 2023

TO REGISTER

1. Log onto EPA's AirKnowledge and create a profile, or log onto your existing AirKnowledge account.
<https://epaapti.csod.com/client/epaapti/default.aspx>
2. When you complete your profile, you will receive a confirmation e-mail to activate your new account. It may take several minutes before receiving the email.
3. Once activated, log into your account.
4. Click the "Instructor Lead Training Calendar" link under the "My Training" tab.
5. Search the calendar for the training date(s). On the calendar you will see a course description. Hover over the text for additional information.
6. To register click the course title link.
7. In the lower righthand corner of the page you will see a "Request" button. Click it.
8. At this point you have requested a seat in the training. Because demand for WESTAR sponsored training frequently exceeds availability all registrants are placed on a waitlist.
9. You will receive an email from [Jeff Gabler](#) confirming your request.
10. WESTAR attempts to accommodate all requests but at times it may be necessary to prioritize attendees.

COURSE DESCRIPTION

WESTAR's Training Program will host this 4-day Intermediate New Source Review/Prevention of Significant Deterioration (NSR/PSD) training course for agency personnel who have, or will have, permitting responsibilities for major sources. The goals of the course are to provide with a high-level understanding of permitting elements, regulatory requirements, and policies pertaining to the major New Source Review program, and provide attendees with the knowledge, skills, and abilities to identify pertinent regulatory and policy materials, and the ability to apply these to day-to-day responsibilities and activities.

Major Topics Include:

- New Source Review and Prevention of Significant Deterioration Programs – Background and History
- Definitions
- Applicability
- Requirements
- BACT
- NAAQS Analysis
- Netting Analysis
- Increment and Other Analyses
- NSR Reform
- Relationship between NSR and other programs
- Effective Use of Exclusions and Permit Procedures
- Pre-Application Monitoring Waivers
- Nonattainment Area Applicability and Requirements

ACCESSIBILITY/MATERIALS

ACCESSIBILITY: WESTAR strives to host inclusive, accessible training events that enable all individuals, including individuals with disabilities, to engage fully with the instructor and course content. To request an accommodation or for inquiries about accessibility, please contact Jeff Gabler at jgabler@westar.org or 503-744-0486 by Friday, April 21, 2023.

COURSE MATERIALS: Training course materials will only be available electronically. Attendees will receive an online document sharing link for access to materials. It is the attendee's responsibility for downloading files and for providing the device or media on which to view materials. WESTAR will provide hard copies for those needing accommodation.

SPACE LIMITATION: Registration is limited to 40 attendees. Air quality staff from the fifteen western states receive registration preference.

REGISTRATION FEES: There are no registration fees for state, local or tribal air quality agency staff. For federal employees the registration fees are \$1,200.

TRAINING LOCATION

Colorado Dept. of Public Health & Environment (CDPHE)
