3:45 Break

4:05 [Regional Haze Roundtable](#)

1. Have you begun work on your progress report? If so, please share the status of the development. What are some of the roadblocks (if any) you have had and ways you have overcome these challenges – how can WESTAR/WRAP help?
2. Have you seen any change in visibility at your state's Class I areas since 2018, the last year of analysis for the Round 2 SIPs?
3. If you have not started on your progress report, why, and what can WESTAR/WRAP do to help?
4. What resources would be useful to have?
  - a. Regional template
  - b. Teach-ins for Progress Report Development (including how to access data from TSS v3, what data are required, development process)
  - c. Circulate examples of previous Progress Reports that have been accepted by EPA

5:15 Adjourn
