

WESTAR Council

Basic Inspector Training (NACT 350)

August 13-15, 2024

REGISTRATION DEADLINE:
Friday, July 12, 2024

Portland Oregon State Building
Room 1A
800 Northeast Oregon Street
Portland, Oregon

REGISTRATION INSTRUCTIONS:

1. Log onto EPA's AirKnowledge and create a profile, or log onto your existing AirKnowledge account.
<https://epaapti.csod.com/client/epaapti/default.aspx>
2. When you complete your profile, you will receive a confirmation e-mail to activate your new account. It may take several minutes before receiving the email.
3. Once activated, log into your account.
4. Click the "Instructor Lead Training Calendar" link under the "My Training" tab.
5. Search the calendar for the training date(s). On the calendar you will see a course description. Hover over the text for additional information.
6. To register click the course title link.
7. In the lower righthand corner of the page you will see a "Request" button. Click it.
8. At this point you have requested a seat in the training. Because demand for WESTAR sponsored training frequently exceeds availability, all registrants are placed on a waitlist.
9. You will receive an email from Jeff Gabler confirming your request.
10. WESTAR attempts to accommodate all requests but at times it may be necessary to prioritize attendees.

ABOUT THE TRAINING

LEARNING OBJECTIVES: Those completing this course will have an understanding of the compliance assessment practices that are employed for evaluating air emission sources. The individual will gain an understanding of the following inspector tasks:

- Role of the field inspector
- Permit conditions compliance documentation and evidence gathering
- Complaints handling and other inspection investigations
- Inspection of air pollution sources

COURSE DESCRIPTION: The course provides an overview of the aspects of inspection preparation, the procedures for conducting an inspection, and follow-up tasks that must be completed after conducting an inspection. Proper procedures are covered for investigating an air pollution complaint, conducting an inspection, and gathering evidence of an emission source compliance. The course also introduces various federal environmental laws and regulations to individuals that are new to environmental compliance programs.

COURSE MATERIALS: Training course materials will only be available electronically. Attendees will receive an online document sharing link for access to materials. It is the attendee's responsibility for downloading files and for providing the device or media on which to view materials. WESTAR will provide hard copies only for those needing accommodation.

SPACE LIMITATION: Registration is limited to 30 attendees. Air quality staff from the fifteen western states receive registration preference.

REGISTRATION FEES: There are no registration fees for state, local or tribal air quality agency staff. For federal employees the registration fees are \$500.

ACCESSIBILITY

ACCESSIBILITY: WESTAR strives to host inclusive, accessible training events that enable all individuals, including individuals with disabilities, to engage fully with the instructor and course content. To request an accommodation or for inquiries about accessibility, please contact Jeff Gabler at jgabler@westar.org or 503-744-0486 by Friday, July 12, 2024.
